Commissioner for Patents

The communication filed on June 1, 2005 lists the elected claims as including inter alia claims 21-45. Since the earlier response filed 2-24-05 appeared to elect Group I as defined by the Examiner in the restriction requirement mailed January 25, 2005 it appears that inter alia claims 29 - 45 are intended for grouping and a confirmation is requested so that examination may proceed.

A period of ONE MONTH is extended to respond to this informality.

Francis J. Jaworski
Primary Examiner
